

Free Training Opportunities can result in a Superior Future for Job Seekers, Job Changers, and Students

Next Level Jobs free training focuses on the high-priority industries and high-demand jobs that drive Indiana's 21st Century economy.

There will be **over 1 million job openings in Indiana** due to retirements and the creation of new jobs in the next decade. Next Level Jobs can help young people prepare for a job in one of these high-demand industries:

Inquire today about the Next Level Jobs Workforce Ready Grant

Who is eligible and what are the requirements? To qualify for the grant, students must:

- Begin enrollment during fall semester 2017 or later in a qualifying program at Ivy Tech or Vincennes
- Be a U.S. Citizen or eligible resident
- Be an Indiana resident
- Have graduated high school or received a high school equivalency diploma/HES (formerly GED)
- Have not previously received a Bachelor's or Associate degree nor a certificate currently covered by the Workforce Ready Grant

How do I apply?

Hoosiers can enroll by visiting NextLevelJobs.org. There, they can match their interests to high demand skills and find eligible training programs at Ivy Tech and Vincennes. **You can use the Workforce Ready Grant to obtain FREE training for high demand jobs.**
