

Don't miss out on your chance to order a 2017-18 yearbook before the price goes up on April 14th. The yearbook staff has been working hard to capture the diversity of Merrillville High School in pictures and stories. It will be something your student will cherish in years to come.

"Our yearbook gives students a month-by-month playback of the events of the year, both in and out of school," co-Editor Molly Murphy said.

"Our goal is to bring students closer together by telling the stories of every unique individual that goes to Merrillville High School. This year, we are taking risks and making sure that this book is the best one yet."

The book will capture the entire year, from the first day of school through graduation night -- and everything in-between from Homecoming and the fall play to holiday concerts, art classes, robotics, classes and field trips.

The cost now is \$65, but it will go up to \$70 on April 14. There are two easy ways to order:

- Pay with cash or money order in Room M108, Mrs. Skertic's room.
- Go online to Jostens.com. Type in Merrillville High School and you can pay with a credit card. There is also an option to pay in 3 installments.
