

Student Login to Google Classroom

Your teacher has a code so you can join a class within Google Classroom in order to receive your assignments.

Once you receive the code to join a class:

1. Type the following website:
<http://classroom.google.com>
2. Sign into Google by typing
 - a. Your username: studentid@student.mvsc.12.in.us
 - b. Your passcode: studentid + first letter of your last name (all lowercase)
Example Student Name: Jack Nelson
Example Student ID: R210555
Example Student User Name Login: R210555@student.mvsc.k12.in.us
Example Student passcode: r210555n

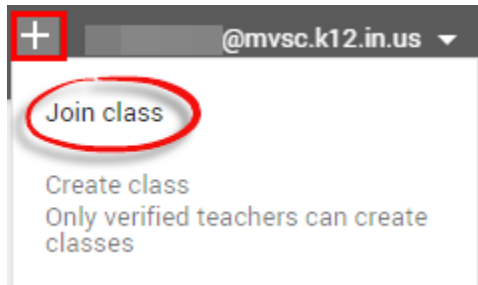

3. Click Sign In

Sign in to continue to Google Drive

The image shows a screenshot of the Google sign-in interface. At the top is a grey circle with a white person icon. Below it are two input fields: 'Email' and 'Password'. A blue 'Sign in' button is positioned below the password field. At the bottom left, there is a checked checkbox labeled 'Stay signed in' and a link 'Need help?'.

[Create an account](#)

4. On the Google Classroom Home Page, click +

5. Select **Join Class**
6. Enter the Class Code that was given to you by your teacher.
7. Click Join Class

Enter class code to join.

CANCEL

JOIN

8. You now will be entered into the class and will view the class home page.

Layout of Google Classroom

The first page of Google Classroom is called the Stream Page. On this page you will be able to:

- 1. Navigate to other classes**
- 2. Create posts to share with your classmates and the teacher**
- 3. View announcements**
- 4. View assignments**
- 5. Navigate to see who else is in your class (Classmates)**
- 6. Read about the class (About)**

The screenshot shows the Google Classroom interface with several numbered callouts:

- 1**: Points to the left-hand navigation menu containing "ASSIGNMENTS" and "VIEW ALL".
- 2**: Points to the "Share with your class..." text input field at the top of the stream.
- 3**: Points to an announcement titled "ANNOUNCEMENT Sep 3" with the text "Check out this new way to multiply large numbers" and a video thumbnail for "Multiplication tips".
- 4**: Points to an assignment titled "Rounding Decimals to the Nearest Tenth" dated "Aug 29". The assignment includes instructions, a "LATE" indicator, and an "OPEN" status. It also lists two attachments: "Rounding Numbers" (a website) and "Rounding Decimals Answer Sheet" (a Google Doc).

Classes View

To view your other classes, click the three lines in the upper left corner.

Student Login to Google Classroom

The screenshot shows the Google Classroom home page. At the top, there is a green navigation bar with a hamburger menu icon circled in red and a red arrow pointing down to it. To the right of the menu are the links 'STREAM', 'CLASSMATES', and 'ABOUT'. Below the navigation bar is a 'Home' section with a house icon. A list of classes is displayed below: 'Test Class Math' (Period 5), 'Mr. Schiefer's Science' (Block 1), and 'ITS PD'. A large red arrow points from the right towards the 'Mr. Schiefer's Science' class, with the text 'Enrolled classes' written inside the arrow.

Classmate View

The screenshot shows the 'Classmate View' of a Google Classroom. The green navigation bar at the top has 'CLASSMATES' circled in red. Below the navigation bar, a white box contains the text 'Classmates in your class'. A dropdown menu is set to 'Students'. Below this, a list of classmates is shown: 'Brian Snelson' and 'Student One', each with a profile picture and a message icon to the right.
