

Merrillville High School

Course Scope & Sequence

Library Media	Department:	English
	Instructor:	Elizabeth Kenyon
	Email:	ekenyon@mvsc.k12.in.us

Course Expectations, Goals & Routines

- Be an independent worker and self-starter
- Meet your deadlines – for library tasks AND assignments – by managing your time.
- Communicate regularly with Mrs. Kenyon and/or Mrs. Erickson about problems, questions, etc.
- Always be professional when working with or providing service to students and faculty.
- Be discreet and respectful of library users' privacy, including their circulation records (what they read is nobody else's business), passwords, etc.

All handouts, links, assignments and other items will be available on Google Classroom (<https://classroom.google.com>).

Course Description

Library Media
English Elective

Library Media is the study and application of procedures based on library science theory. Students examine the role of the library and technology in the current Information Age. Students use electronic resources for specific research needs and use multimedia presentation technology for practical applications.
